

31 March 2015

Dear Ms. Rauter,

I would like to confirm receipt of the contribution of EUR 26,000 from the People Share Foundation to the United Nations Voluntary Trust Fund for Victims of Trafficking in Persons, which we have received on 17 March 2015.

As agreed within the framework of cooperation between the People Share Foundation and the UN Voluntary Trust Fund, the Trust Fund is receiving this contribution as a trustee for the non-governmental organization Casa Alianza Nicaragua, which People Share and the organizers of the 2015 Immobilienball have chosen as the final recipient of the collected donations.

Casa Alianza Nicaragua has been selected as a grant recipient during the call for proposals issued by the UN Voluntary Trust Fund in 2014, and they will be receiving a total of USD 60,000 for the implementation of a three-year project to help young women and girls that have been trafficked, by providing specialized assistance in a shelter home in Nicaragua.

The contribution received from People Share and Immobilienball 2015, will be funding nearly half of the project of Casa Alianza Nicaragua. People Share Foundation will receive the annual progress reports submitted by the NGO, so that it can acknowledge the outcomes of the project and the impact achieved through this contribution.

I would like to convey my sincerest thanks to you and the organizers of the 2015 Immobilienball for the support provided to the United Nations Voluntary Trust Fund for Victims of Human Trafficking, to Casa Alianza Nicaragua, and finally to the young women and girls that will be assisted through the project.

I invite you to visit our website to learn more about the problem of human trafficking and download our latest brochure with success stories achieved through the NGO projects supported over the last three years.

With kind regards,
